

Tri County Wildlife Care Impact Report 2017

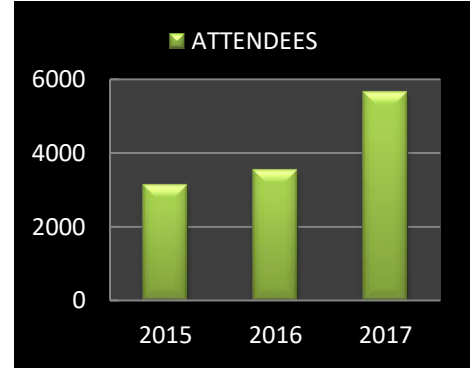

Gave US PAWS BUT NO PAUSE...

WILDLIFE CARE

WILDLIFE EDUCATION

Tri County Wildlife Care again took in more distressed critters

1032 critters

than ever before

118 different species

and sent more back

76% survived

to their wild homes.

Our careful use of your generous donations and our volunteers

80 volunteers

made it possible for us to help the wildlife

over 3000 square miles

of Amador, Calaveras, and eastern San Joaquin counties.

Thank you for your calls

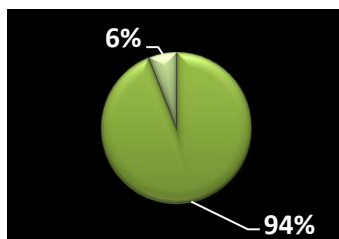

3400+ calls

allowing us to help you with your specific wildlife concerns.

Thank you to all the children and adults

5664 attendees

who learned how they can help wildlife and people thrive together!

**94% OF EXPENSES ARE SPENT
ON WILDLIFE CARE &
EDUCATION**
