

LITTLE BIG SHOTS

THE CHIPMUNK

In the WILD world who are the **BIG SHOTS**? The hawk. The lion. The dolphin. The rhino. They are big and awesome and powerful.

But if you think a little (or a lot) smaller, how about the **LITTLE BIG SHOTS** like the **CHIPMUNK**?

This tiny critter has **SUPER POWERS** too!

MY CHEEKS ARE MY GROCERY BAGS! I CAN STUFF 'EM FULL OF NUTS UNTIL MY CHEEKS ARE BIGGER THAN MY HEAD.

3 TIMES BIGGER!

I CAN GATHER 165 NUTS IN A DAY. IN 1 DAY!

I TALK A LOT! AND LOUD! 'CHIP-CHIP' 'WOP-WOP' 'CHIRP-CHIRP' LIKE A BIRD!

I BREATHE 75 TIMES EACH MINUTE.

I CLIMB AND SWIM!

BOY, CAN I TUNNEL! I CAN MAKE MY BURROW ENTRANCE REALLY LONG - 30 FEET!
