

Tri County Wildlife Care Impact Report 2014

Tri County Wildlife Care took in more distressed critters

742 critters

than ever before

100 species

and sent more back

408 critters released

to their wild homes healthy.

Our careful use of your generous donations and our volunteers

44 volunteers

made it possible for us to help the wildlife

over 3000 square miles

of Amador, Calaveras, and eastern San Joaquin counties.

Thank you for your calls

2000 calls

allowing us to help you with your unique wildlife concerns.

Thank you to all the children and adults

2288 attendees

who came to our wildlife presentations.

**THANK YOU FOR SHARING IN OUR VISION OF A WORLD WHERE WILDLIFE
AND PEOPLE THRIVE TOGETHER.**

2015 is starting out wild!
